Case Studies for website:

Company Name: Coca-Cola
Location of Event: Atlanta, Georgia
Event Attendance: 3,000+
Total Items Distributed: ~400

Event Overview:
The on-site hat decoration experience at Coca-Cola's college football tailgate was a huge success from start to finish. Fans loved being able to customize their hats in real time, which created a steady flow of excitement and engagement throughout the event. The activation gave attendees a unique takeaway that felt personal and premium, while also reinforcing Coca-Cola's/The Teams presence in a memorable way.

Company Name: Caterpillar
Location of Event: Abu Dhabi, UAE
Event Attendance: 239,000
Total Items Distributed: 3,000+ over 4 days

Event Overview:
Caterpillar partnered with our team to execute a multi-day activation in Abu Dhabi, delivering a high-volume, fully customized experience over four days. The activation featured on-site laser engraving of premium leather luggage tags and leather coasters, allowing attendees to personalize each item with names, images, and branded elements. With over 3,000 items produced and distributed, the booth maintained steady traffic and strong engagement throughout the event. The combination of craftsmanship and personalization created a memorable brand interaction, leaving attendees with a high-quality, customized takeaway tied directly to the Caterpillar experience.

Company Name: Caterpillar
Location of Event: Houston, Texas – Minute Maid Park (Astros Stadium)
Event Attendance: Not specified
Total Booth Visitors: ~350

Event Overview:
Caterpillar partnered with our team to deliver a customized, hands-on activation at Minute Maid Park in Houston, Texas. The experience centered around on-site laser engraving, where attendees could personalize premium leather luggage tags and valet trays with names, images, and branded assets. This interactive element drew consistent traffic to the booth, resulting in approximately 350 engaged visitors. The personalization aspect not only created a memorable takeaway for attendees but also reinforced Caterpillar's brand in a unique, tangible way, driving meaningful engagement and lasting impressions throughout the event.

Company Name: Caterpillar
Location of Event: San Antonio, Texas
Event Attendance: ~150 guests
Total Items Distributed: ~150

Event Overview:
Caterpillar partnered with our team to host a more intimate, highly personalized activation in

San Antonio, Texas. Designed for a smaller group of approximately 150 guests, the experience focused on quality engagement through on-site laser engraving of leather luggage tags and journals. Attendees had the opportunity to customize each item with names and select design elements, creating a thoughtful and memorable takeaway. The smaller setting allowed for more meaningful one-on-one interactions, enhancing the overall guest experience while reinforcing Caterpillar’s brand through premium, customized products.
